## PUNJAB URBAN PLANNING & DEVELOPMENT AUTHORITY PUDA BHAWAN SECTOR 62 SAS NAGAR

(Policy Branch)

Whereas PUDA (Building) Rules, 1996 (hereinafter called the Rules) were framed under the Punjab Regional and Town Planning and Development Act, 1995 primarily to regulate and promote construction of building on plots/sites allotted under the said Act;

- 2. Whereas number of violations of the said Rules have been committed by the allottes of the plots/sites while undertaking the construction on such plots/sites and the Competent Authority under the Act have launched proceedings for resumption of such plots/sites;
- 3. Whereas numerous representations have been received from such allottees of plots/sites to compound the violations of Rules committed. The Estate Officer of PUDA have also been repeatedly asking for guidelines to deal with such cases of violation of Rules;
- 4. Whereas it has been observed that there is no such policy in PUDA to deal with cases pertaining to constructions undertaken in the violation of Rules in a consistent and regular manner;
- 5. Whereas Section 157 of the Punjab Regional & Town Planning Act, 1996 provides for composition of violations of the Rules made under the Act;
- 6. Whereas it has been felt that an objective, transparent, uniform and rational policy needs to be immediately put in place to ensure uniformity and eliminate subjectivity and discretion on the part of officers dealing with such cases and avoid undue hardship to the allottees to remove constructions raised in the violation of the Rules and in getting the completion certificate for their building;
- 7. Whereas in order to examine and study the issue in depth, a Committee under the Chairmanship of Additional Chief Administrator (HQ) with, Advisor (Architecture), PUDA Senior Town Planner, PUDA Senior Architect, PUDA, Estate Officer, Mohali, Estate Officer, Ludhiana and Advisor (TP) as members was constituted to suggest a simple, rational and objective policy in this regard;
- 8. Whereas the Committee considered in detail the different sets of violations of Rules committed, studied threadbare the implications of such violations in terms of living conditions, quality of space, air light and ventilation. The Committee also studied in detail the pattern followed in the State of Haryana and Union Territoty, Chandigarh. The Committee made detailed recommendation regarding the offences to be compounded, the extent of compounding and the charges to be levied for such compounding;
- 9. Whereas after careful consideration of the matter and the recommendations made by the Committee, the larger public interest and the need to frame a rational, transparent, and objective policy, I Suresh Kumar, Chief Administrator, Punjab Urban Planning and Authority, in exercise of power conferred under proviso to Section 157 of the Punjab Regional and Town Planning Act, 1995, hereby prescribe rates of compensation for compounding of the violations of PUDA (Building) Rules 1996 as a provided in the Schedule attached to this order instead of demolition or alteration of such buildings. However, in the case of non-compoundable violations, the building shall have to be altered as per Rules.
